THE OPPORTUNITY

Worman is excited to “elevate” industrial! This project will add industrial/commercial lease space to this high profile location. “Elevate” means bringing the same keen eye to the architectural design as we do to our other projects. It means thoughtfully expanding and creating an entirely new structure to enhance the properties function and aesthetic appeal.

WORMAN

TIMELESS DESIGN. MODERN INNOVATION.
WORMAN DEVELOPMENT.

Unless a building has a story to tell, it’s not worth building. Since 1992, we have been working tirelessly to set a new standard for modern construction with enduring features that you won’t usually find in similar buildings. Everything we do is designed to enhance our community, our neighborhoods, and provide a meaningful experience for those who spend time in our buildings. Worman buildings have a distinct character that is readily recognized and admired. From the overall concept to the finest detail, we approach all of our projects with the same level of purpose and drive for perfection.
